Do you want to make a difference?

The RAF Benevolent Fund is the leading welfare charity for the RAF. Every year we make a real difference to over 40,000 people who benefit from our services, by providing support including:

- Helping to reduce social isolation and loneliness among veterans.
- Supporting ill or injured men and women to have a safe place to call home, a home that meets their specific needs.
- Funding youth services on stations to provide clubs and activities for the children of serving personnel who move every few years.
- Providing grants to help with the cost of living. But this is just a few of the ways we help.

It doesn't matter how long someone served or when. If they were part of the RAF, they and their family are part of our RAF Family. We will always be here to support them when they need it most. Join the RAF Family and play your part in making a difference. Every day you will make a difference and play your part in changing the lives of others to help people in the RAF Family get through the toughest of times.
