

STRATEGIC PARTNERSHIPS MANAGER

Permanent, Full Time

Circa £40,000 plus competitive benefits

Do you want to make a difference?

The RAF Benevolent Fund is the leading welfare charity for the RAF. Every year we make a real difference to over 40,000 people who benefit from our services, by providing support including:

- Helping to reduce social isolation and loneliness among veterans.
- Supporting ill or injured men and women to have a safe place to call home, a home that meets their specific needs.
- Funding youth services on stations to provide clubs and activities for the children of serving personnel who move every few years.
- Providing grants to help with the cost of living. But this is just a few of the ways we help.

It doesn't matter how long someone served or when. If they were part of the RAF, they and their family are part of our RAF Family. We will always be here to support them when they need it most. Join the RAF Family and play your part in making a difference.

Do you want to play a part in what we do?

We are looking for an individual who is inspired to meet fundraising goals through investigating, securing, developing and maintaining corporate partnerships. The ideal candidate will work with various sectors and use their corporate fundraising experience to obtain a range of new partnerships and grow existing ones. Supporting the Head of Strategic Partnerships to deliver the team's business plan and stretching but realistic targets will be a concurrent theme throughout the role.

As one of our Corporate team, you could get to hang out with Spitfires and Typhoons, take part in a Dambusters bike ride, attend events like Royal Ascot, the Royal International Air Tattoo and the Bomber Command Memorial Service. Every day you will make a difference and play your part in changing the lives of others to help people in the RAF Family get through the toughest of times.

The role is based in our London HQ and currently work a minimum of three days in the office per week. The successful candidate for this role will need to prove they have the right to work in the UK.
